Ice crystal ... Bauble Decorations ! (for all)

Bring the 6 branches of an ice crystal together to make
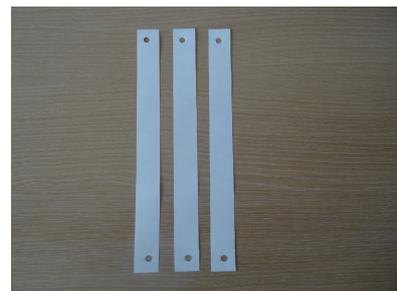

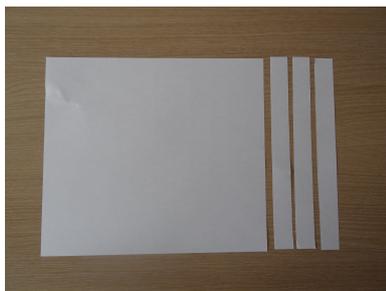

this decorative bauble !

**Can be placed anywhere . . .
especially on the Christmas Tree !**

You will need :
 - a sheet of white paper
 - some brads
 - some ribbon or string
 - a hole punch
 *- a pair of scissors*
 - a pencil, a ruler

Place the sheet of paper as shown in the picture, and cut out 3 strips.

Each strip should be 1,5 cm wide.

Make a hole at the end of each strip using the hole punch . . .

Put the 3 strips above one another.
Fold them in half so you can find the middle.

To make the middle hole,
put the strips in the hole
*punch by folding a piece*
as shown in the pictures .

.

Then place the 3 strips together to form
an ice crystal . . .

! ! ! The middle holes
should be aligned ! ! !
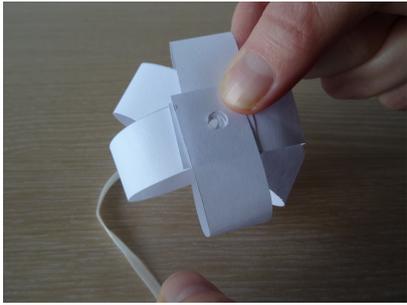

Tie a piece of ribbon or string to a brad . . .

Slip the brad through the
*middle hole of the ice*
crystal . . .

Fasten tightly ! ! !

Bring the branches of the ice crystal upwards and bring the end holes together . . .

Slip a brad through the holes . . .

Fasten tightly ! ! !

Make a lot of baubles . . .

and hang them

pretty-much anywhere !!!
